Make bath time fun time again with Parent's Choice Tear Free Wash & Shampoo. Harsh chemicals present in other child's washes and shampoos can irritate skin and be dangerous if it comes in contact with eyes. That is why we formulated our wash and shampoo to be tear-free and gentle enough for newborn skin and hair. It is also hypoallergenic, paraben, phthalate, and quaternium-15-free, making it an excellent choice for even the most sensitive tiny tots. Pediatrician-tested, you can give your little one a safe and confident clean that you can feel good about. To use, simply squeeze a small amount onto a wet washcloth, sponge, net pouf, or hand and apply to your child's body and hair. Work into a rich lather, then rinse off. It's that easy! Your little one will love bathtime when you use Parent's Choice Tear Free Wash & Shampoo.

Parent's Choice provides parents with baby and toddler products you need at a price that won't push your budget over the edge. We offer everything you need from bath time to bed time and every time in between, all with the high quality we know your little one needs. Parent's Choice is conveniently available online and in Walmart stores nationwide, allowing you to stock up, save money and live better.

Parent's Choice™ Wipes are unique cloth-like wipes that are strong, yet very soft. Each wipe is moistened with a mild cleansing solution that is even gentle enough for use on baby's face and hands. This container design ensures that each wipe comes out open and ready to use on any part of a baby's delicate skin.

Las toallitas Parent's Choice™ son exclusivas toallitas, resistentes y muy suaves a la vez, de un material similar a la tela. Cada toallita está humedecida con una solución limpiadora, lo suficientemente delicada como para usarse en la cara y las manitas del bebé. El diseño del envase garantiza que cada toallita salga abierta y lista para usarse en cualquier parte de la tierna piel del niño.
